(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

Applicant Mike Sage never received the Office Action of August 27th, 2003 and states that his former representative has stated that his former representative never received the Office Action. Mike Sage discovered on February 8th, 2005 that the application was abandoned on April 5th, 2004 when performing a search on the USPTO website for applications bearing his name. Upon review he immediately called Primary Examiner Bob Olszewski at 703-308-5183 in Art Unit 3627. At that time, Primary Examiner Olszewski could not locate the paper file that at that time was not in PAIR. Applicant's new representative filed a Revoke Power of Attorney and New Power of Attorney on February 16th, 2005. The paper file was finally located and the Power of Attorney was matched with the paper file on 3/17/2005. At that time Primary Examiner Bob Olszewski FAXed the outstanding office action (restriction) to Applicant's new representative for purposes of Reviving the Application.

Applicant therefore requests revival based on the unavoidable event of not receiving the office action and if this request for revival under 37 C.F.R 1.137(a) is not accepted, then please consider this a revival request for unintentionally abandoned application under 37 C.F.R 1.137(b) and make any charges not accounted for herein to deposit account 502689.

(Please attach additional sheets if additional space is needed.)
